## Message from the Principal

Nettle School would like to thank all of the grade 8 students, our staff, and adults who made the Nettle School Civics Action Showcase a success. We would also like to congratulate Julianna Viera and Isabella Santana who were the winners at the citywide showcase with an amazing presentation on *The Red Pill Project*. They will be attending the state finals at the Kennedy Center in Boston on June 6th!

The promotion ceremony for grade 8 will happen on Monday, June 9, 2025. The ceremony will take place on the back field beginning at 5:00 pm. Grade 8 students will need to arrive at school at 4:00. Please bring folding chairs to use on the backfield as we will not have seating for families. If you are bringing balloons or using a sun umbrella - please make sure you are standing at the back so that you do not block anyone's view of the event.

## Health Class News

Homeroom 202, Grade 7: Next week in health class, we will finish our Managing Anger unit and begin our Reproductive Systems unit. During this unit we will identify the components and functions of the reproductive systems. You should have received a notification at the start of the school year about this unit. The notification letter can be found in our health class google classroom, under the topic: Information for Adults at Home. If you have any questions you can message me here or email me at [maeve.torres@haverhill-ps.org](mailto:maeve.torres@haverhill-ps.org). Thank you!

## Math Coach

With Module 6 and Math MCAS now complete, students in grades 5–8 are spending the last few weeks of school working on projects and getting a sneak peek at concepts they'll see next year.

It's a great time of year when we get to see students apply what they've learned in creative ways while also building confidence for what's ahead. I'm so proud of all the hard work they've put in this year!

Thanks for your continued support as we wrap up the school year.
